

WHAT IS CLAIMED IS:

1. A method for preparing a manufacturer's depot exhibition space, comprising the steps of:
 - acquiring a real property right to a structure to provide said manufacturer's depot exhibition space in a specific location, wherein said real property right includes a leasing right or an ownership right;
 - contracting an agreement with a plurality of manufacturers, said agreement including a lease of an exhibition space within said manufacturer's depot exhibition space to provide a unique exhibition space, wherein said lease includes a term greater than a bi-monthly term;
 - customizing said exhibition space to provide said plurality of manufacturers with a permanent location to showcase and sell a product, wherein said product is relative to each of said plurality of manufacturers;
 - offering said plurality of manufacturers opportunities to meet direct customers and markets;
 - billing said plurality of manufacturers a membership fee;
 - establishing a storage space to provide said plurality of manufacturers with a product storage; and
 - advertising said manufacturer's depot exhibition space.
2. The method as set forth in Claim 1 further comprises the step of surveying said plurality of manufacturers for an information packet relating to said product.
3. The method as set forth in Claim 1 further comprises the step of selling said product on a wholesale basis from said plurality of manufacturers to a buyer.

4. The method as set forth in Claim 1 further comprises the step of offering to said plurality of manufacturers accommodations, food and travel arrangements within the United States.

5. The method as set forth in Claim 1 further comprises the step of assisting said plurality of manufacturers with a product display design.

6. The method as set forth in Claim 5, wherein the step of assisting said plurality of manufacturers includes developing a product via a market feedback and a product demand.

7. The method as set forth in Claim 1 further comprises the step of assisting said plurality of manufacturers in participating in other trade shows and conventions throughout North America.

8. The method as set forth in Claim 1, wherein said plurality of manufacturers include at least a group of 50 manufacturers.

9. The method as set forth in Claim 1, wherein said product is said plurality of manufacturers' most recent product.

10. The method as set forth in Claim 1, wherein said specific location includes a location taken from the group consisting of: major metropolitan cities, towns, municipalities, neighborhoods and zoned areas.

11. The method as set forth in Claim 1, wherein the term of said lease is at

least a month.

12. The method as set forth in Claim 11, wherein said term is a year.
13. The method as set forth in Claim 1, wherein said product is made in Asia.
14. The method as set forth in Claim 13, wherein said product is made in China.
15. The method as set forth in Claim 1, wherein said membership fee is at least a monthly membership fee.
16. The method as set forth in Claim 15, wherein said membership fee is an annual membership fee.
17. The method as set forth in Claim 1, wherein advertising said manufacturer's depot exhibition space includes the step of advertising in a local media including newspaper, television, film, print, and radio.
18. A method for preparing a manufacturer's depot exhibition space, comprising the steps of:
 - surveying a plurality of manufacturers to provide a detailed account of a manufacturer's business, wherein said manufacturer's business includes information corresponding to a product;
 - contracting an agreement with said plurality of manufacturers, said agreement including a lease of a unique exhibition space corresponding respectively to each of said

plurality of manufacturers;

customizing said unique exhibition space to provide said plurality of manufacturers with a permanent location to showcase and sell said product; and showcasing said product corresponding respectively to each of said plurality of manufacturers on a permanent basis.

19. The method as set forth in Claim 18 further comprises the step of offering said plurality of manufacturers accommodations including meals and travel.

20. The method as set forth in Claim 18 further comprises the step of establishing a storage space to provide said plurality of manufacturers with a product storage.

21. The method as set forth in Claim 18 further comprises the step of advertising said manufacturer's depot exhibition space.

22. The method as set forth in Claim 21, wherein advertising said manufacturer's depot exhibition space includes the step of advertising in a local media including newspaper, television, film, print, and radio.

23. The method as set forth in Claim 18 further comprises the step of billing said plurality of manufacturers a membership fee.

24. The method as set forth in Claim 18 further comprises the step of assisting said plurality of manufacturers with a product display design.

25. The method as set forth in Claim 24, wherein the step of assisting said plurality of manufacturers includes developing a product via a market feedback and a product demand.

26. The method as set forth in Claim 18 further comprises the step of assisting said plurality of manufacturers in participating in other trade shows and conventions throughout North America.

27. The method as set forth in Claim 18, wherein said plurality of manufacturers include at least a group of 50 manufacturers.

28. The method as set forth in Claim 18, wherein said product is said plurality of manufacturers most recent product.

29. The method as set forth in Claim 18, wherein said manufacturer's depot exhibition space is located in a location taken from the group consisting of: major metropolitan cities, towns, municipalities, neighborhoods and zoned areas.

30. The method as set forth in Claim 18, wherein said lease includes a term of at least a month.

31. The method as set forth in Claim 30, wherein said term is a year.

32. The method as set forth in Claim 18, wherein said product is made in Asia.

33. The method as set forth in Claim 32, wherein said product is made in

China.

34. A method for preparing a manufacturer's depot exhibition space, comprising the steps of:

leasing to a plurality of manufacturers a unique exhibition space corresponding respectively to each of said plurality of manufacturers to provide a long term exhibition space, wherein said leasing includes a lease term greater than 29 days;

customizing said unique exhibition space to provide said plurality of manufacturers with said long term exhibition space to showcase and sell a product, wherein said product corresponds respectively to each of said plurality of manufacturers; showcasing said product; and selling said product.

35. The method as set forth in Claim 34 further comprises the step of surveying said plurality of manufacturers to provide a detailed account of a manufacturer's business, wherein said manufacturer's business includes information corresponding to said product.

36. The method as set forth in Claim 34 further comprises the step of offering said plurality of manufacturers accommodations including meals and travel.

37. The method as set forth in Claim 34 further comprises the step of establishing a storage space to provide said plurality of manufacturers with a product storage.

38. The method as set forth in Claim 34 further comprises the step of

advertising said manufacturer's depot exhibition space.

39. The method as set forth in Claim 38, wherein advertising said manufacturer's depot exhibition space includes the step of advertising in a local media including newspaper, television, film, print, and radio.

40. The method as set forth in Claim 34 further comprises the step of billing said plurality of manufacturers a membership fee.

41. The method as set forth in Claim 34 further comprises the step of assisting said plurality of manufacturers with a product display design.

42. The method as set forth in Claim 41, wherein the step of assisting said plurality of manufacturers includes developing a product via a market feedback and a product demand.

43. The method as set forth in Claim 34 further comprises the step of assisting said plurality of manufacturers in participating in other trade shows and conventions throughout North America.

44. The method as set forth in Claim 34, wherein said plurality of manufacturers include at least a group of 50 manufacturers.

45. The method as set forth in Claim 34, wherein said product is said plurality of manufacturers' most recent product.

46. The method as set forth in Claim 34, wherein said specific location

includes locations taking from the group consisting of major metropolitan cities, towns, municipalities, neighborhoods and zoned areas.

- 47. The method as set forth in Claim 34, wherein said lease term is at least a month.
- 48. The method as set forth in Claim 47, wherein said lease term is a year.
- 49. The method as set forth in Claim 34, wherein said product is made in Asia.
- 50. The method as set forth in Claim 49, wherein said product is made in China.
